

### CDS HEAD START CHILD OUTCOMES – FY 11-12

**During the 2011-2012 school year 56.36% of the Head Start programs utilized Galileo online. Childhood Development Services, Inc. (CDS) uses the Galileo G3 Assessment system to measure child outcomes. The Galileo G3 Assessment Scales are fully aligned with the 2011 Head Start Child Development and Early Learning Framework. The program can assess children’s learning in the 11 Sub-Domains of the Framework**

### THE HEAD START EARLY LEARNING FRAMEWORK

- Approaches to Learning
- Creative Arts Expression
- Mathematics Knowledge & Skills
- English Language Development\*
- Language Development
- Literacy Knowledge & Skills
- Logic & Reasoning
- Science Knowledge & Skills
- Physical Development & Health
- Social Studies Knowledge & Skills
- Social & Emotional Development

\*English Language development is for the child who native language is not English. (Dual language learner)

**2011-2012 DEVELOPMENTAL SCORES IN THE FIVE  
ESSENTIAL DOMAINS**

The program as a whole showed significant progress in the 5 core domains. Our Head Start children usually start the school year below the national averages in Galileo. Language and Literacy experienced a 63 point increase. This is significant progress since this area had the lower scores. **17% of our Dual language learners moved from intermediate to advanced development level**

Domain	National Average Entry Scores	CDS Head Start Entry Scores	CDS Head Start Year End Scores	CDS Head Start Gains
Approaches to Learning	468	506	593	87
Language & Literacy	519	468	531	63
Cognitive & General Knowledge	512	531	606	75
Physical Development & Health	459	473	544	71
Social & Emotional Development	447	461	528	67
